

PRIVACY STATEMENT

We take your privacy seriously and this privacy statement explains how ANVIO (collectively, “we,” “us,” or “our”) collects, uses, shares and processes your information.

“You”

Collection and Use of Personal Data

Personal data is information that can be used to directly or indirectly identify you. Personal data also includes anonymous data that is linked to information that can be used to directly or indirectly identify you. Personal data does not include data that has been irreversibly anonymized or aggregated so that it can no longer enable us, whether in combination with other information or otherwise, to identify you.

Promoting safety and security

We abide by the principles of legality, legitimacy, and transparency, use, and process the least data within a limited scope of purpose, and take technical and administrative measures to protect the security of the data. We use personal data to help verify accounts and user activity, as well as to promote safety and security, such as by monitoring fraud and investigating suspicious or potentially illegal activity or violations of our terms or policies. Such processing is based on our legitimate interest in helping ensure the safety of our products and services.

Here is a description of the types of personal data we may collect and how we may use it:

What Personal Data We Collect

a) Data about you that you give us directly

We collect the personal data you provide when you use our products and services or otherwise interact with us, such as when you create an account or contact us.

When you use our games you may give us the data like:

- first and last name
- e-mail address; or
- other information that helps us make sure it is you accessing your account or helps us improve our products and services.

Please note, if you do not want us to process sensitive and special categories of data about you (including data relating to your health, racial or ethnic origin, political opinion, religious or philosophical beliefs, sex life, and your sexual orientation) you should take care not to post this information or share this data on the Site. Once you have provided this data it will be accessible by other site users and it becomes difficult for us to remove this data.

b) Data about use of our services and products:

When you visit our websites, we may collect data about the type of device you use, your device's unique identifier, the IP address of your device, your operating system, the type of Internet browser that you use, usage information, diagnostic information, and location information from or about the computers, phones, or other devices on which you install or access our products or services. Where available, our services may use GPS, your IP address, and other technologies to determine a device's approximate location to allow us to improve our products and services.

c) Payment data

We also collect data related to any purchases you make.

If you purchase our products or services, our third-party payment partners will collect the billing and financial information it needs to process your charges. This may include your postal address, e-mail address, your payment data, such as your credit or debit card number and other card information, and other account and authentication information, as well as billing, shipping, and contact details.

Our payment partners do not share your financial information, like credit card numbers, with us, but they may share non-financial data with us related to your purchases, like your name, and the items purchased.

Legal Grounds of Personal Data Processing

We use your data to provide, personalize, maintain the security of, and improve the games your company operates; to maintain our business operations; and to exercise, defend or establish our rights.

We use your data under several legal grounds, including:

- to perform our contract with you
- for our legitimate business interests
- to comply with our legal obligations

- your consent.

Our legitimate interests include (1) maintaining and administering our products and services; (2) providing the services to you; (3) improving the content of the services and web pages; (4) processing of the data that was manifestly made public by you; (5) ensuring your account is adequately protected; and (6) compliance with any contractual, legal or regulatory obligations under any applicable law.

How We Use Your Personal Data

Generally speaking, we use personal data to provide, improve, and develop our products and services, to communicate with you, to offer you targeted advertisements and services, and to protect us and our customers.

- a) Providing, improving, and developing our products and services:

We use personal data to help us provide, improve, and develop our products, services, and advertising. This includes using personal data for purposes such as data analysis, research, and audits. Such processing is based on our legitimate interest in offering you products and services and for business continuity.

- b) Communicating with you:

Subject to your prior express consent, we may use personal data to send you marketing communications in relation to our own products and services, communicate with you about your account or transactions, and inform you about our policies and terms. If you no longer wish to receive email communications for marketing purposes, please contact us to opt-out. We also may use your data to process and respond to your requests when you contact us. Subject to your prior express consent, we may share your personal data with third party partners who may send you marketing communications in relation to their products and services. Subject to your prior express consent, we may use personal data to personalize your experience with our products and services and on third-party websites and applications and to determine the effectiveness of our promotional campaigns.

NOTE: For any of the uses of your data described above that require your prior express consent, note that you may withdraw your consent by contacting us.

Definition of "Cookies"

We collect information about your device and how you use our games, including using cookies. Cookies are small pieces of text used to store information on web browsers. Cookies are widely used to store and receive identifiers and other information on computers, phones, and other devices. We also use other technologies, including data we store on your web browser or device, identifiers associated with your device, and other software, for similar purposes. In this Cookie Statement, we refer to all of these technologies as "cookies."

Use of Cookies

We use cookies to provide, protect, and improve our products and services, such as by personalizing content, offering and measuring advertisements, understanding user behavior, and providing a safer experience. Please note that the specific cookies we may use vary depending on the specific websites and services you use.

You can control or opt out of the use of cookies and similar technologies that track your behavior on the sites of others for third-party advertising, as described in our Cookie Statement.

We, our service providers, and our partners may use cookies and other similar technologies to collect and analyze certain kinds of technical data, including:

- IP address
- type of computer you are using
- platform type (like Apple iOS or Android)
- operating system version
- browser type and language
- number of clicks on an app feature or web page
- amount of time spent on an app feature or web page
- pages viewed and the order of those pages; and/or
- game state and the date and time of activity on our game

Disclosure of Personal Data

We make certain personal data available to strategic partners that work with us to provide our products and services or help us market to customers. Personal data will only be shared by us with these companies in order to provide or improve our products, services, and advertising; it will not be shared with third parties for their own marketing purposes without your prior express consent.

Data Disclosure or Storage, Transfer, and Processing

a) Fulfilment of legal obligations:

Due to the mandatory laws of the European Economic Area or the country in which the user lives, certain legal acts exist or have occurred and certain legal obligations need to be fulfilled. Treatment of personal data of EEA residents ---As described below, if you reside within the European Economic Area (EEA), our processing of your personal data will be legitimized: Whenever we require your consent for the processing of your personal data such processing will be justified pursuant to Article 6(1) of the General Data Protection Regulation (EU) ("GDPR").

b) For the purpose of reasonable implementation or application of this article:

We may share personal data with all our-affiliated companies. In the event of a merger, reorganization, acquisition, joint venture, assignment, spin-off, transfer, or sale or disposition of all or any portion of our business, including in connection with any bankruptcy or similar proceedings, we may transfer any and all personal data to the relevant third party. We may also disclose personal data if we determine in good faith that disclosure is reasonably necessary to protect our rights and pursue available remedies, enforce our terms and conditions, investigate fraud, or protect our operations or users.

c) Legal Compliance and Security or Protect Other Rights

It may be necessary—by law, legal process, litigation, and/or requests from public and governmental authorities within or outside your country of residence—for us to disclose personal data. We may also disclose personal data if we determine that for purposes of national security, law enforcement, or other issues of public importance, disclosure is necessary or appropriate. We will not delete personal information if it is relevant to an investigation or a dispute. It will continue to be stored until those issues are fully resolved and/or during the term that is required and/or permissible under applicable/relevant law.

Children

Our products and services are intended for adults being legal representatives of our customers-legal entities. Accordingly, we do not knowingly collect, use, or disclose data from children under 16. If we learn that we have collected the personal data of a child under 16, or the equivalent minimum age depending on the jurisdiction, we will take steps to delete the data as soon as possible. Please immediately contact us if you become aware that a child under 16 has provided us with personal data.

Your Rights

Subject to the applicable data protection laws, you may have a number of rights (subject to certain conditions) when it comes to your information. Further information and advice about your rights can be obtained from the data protection regulator in your jurisdiction. You can request to exercise any of these rights by contacting us through our contact information in this Privacy Policy.

- **The right to object to processing.** You may have the right to object to certain types of processing, including processing for direct marketing (i.e. receiving emails from us notifying you about other services which we think will be of interest to you or being contacted with varying potential opportunities).
- **The right to be informed.** You may have the right to be provided with clear, transparent and easily understandable information about how we use your information and your rights. This is why we're providing you with the information contained in this Policy.
- **The right of access.** You may have the right to request obtain access to the specific pieces of your information we have collected, and certain other information (similar to that provided in this Privacy Policy).
- **The right to rectification.** You may be entitled to have your information corrected if it is inaccurate or incomplete. You can request that we rectify any errors in information that we hold.
- **The right to erasure/deletion.** Subject to certain exceptions, this right enables you to request the deletion or removal of your information that we hold.
- **The right to restrict/object processing.** You may have rights to 'block' or suppress further use of your information. When processing is restricted pursuant to these rights, we can still store your information, but will not use it further. We keep lists of people who have asked for further use of their information to be 'blocked' to make sure the restriction is respected in the future.

- **The right to data portability.** You may have rights to obtain and reuse your information for your own purposes across different services.
- **The right to lodge a complaint.** You may have the right to lodge a complaint about the way we handle or process your information with your national data protection regulator.
- **The right to withdraw consent.** If processing of your personal data is based upon your consent, you have the right to withdraw your consent at any time (although if you do so, it does not mean that anything we have done with your personal data with your consent up to that point is unlawful). You can withdraw your consent to the processing of your information at any time.
- To protect the privacy and the security of your personal data, we may request data from you to enable us to confirm your identity and right to access such data, as well as to search for and provide you with the personal data we maintain. There are instances where applicable laws or regulatory requirements allow or require us to refuse to provide or delete some or all of the personal data that we maintain. You may contact us to exercise your rights. We will respond to your request in a reasonable timeframe, and in any event in less than 30 days.

Third-Party Websites and Services

When a customer operates a link to a third-party website that has a relationship with us, we do not assume any obligation or responsibility for such policy because of the third party's privacy policy. Our websites, products, and services may contain links to or the ability for you to access third-party websites, products, and services. We are not responsible for the privacy practices employed by those third parties, nor are we responsible for the information or content their products and services contain. This Privacy Statement applies solely to data collected by us through our products and services. We encourage you to read the privacy policies of any third party before proceeding to use their websites, products, or services.

Data Security, Integrity

We use reasonable technical, administrative, and physical security measures designed to safeguard and help prevent unauthorized access to your data, and to correctly use the data we collect. We will retain your personal data for as long as it is necessary to fulfill the purposes outlined in this Privacy Statement, unless a longer retention period is required or permitted by law.

Retention Periods

We will retain your personal information as well as information connected with your Account and/or the Services you use from us for as long as required to perform the purposes for which the data was collected depending on the legal basis for which that data was obtained and/or whether additional legal/regulatory obligations mandate that we retain your personal information during the term that is required and/or permissible under applicable/relevant law.

You may delete your personal data by removing the data from your account; alternatively, you can delete your account. However, you acknowledge that we may retain some information after you have closed, or we have deleted, your account with us where necessary to enable us to meet our legal obligations or to exercise, defend, or establish our rights.

We may remove your account, or the information you post upon your request.

Changes to this Privacy Statement
